Season’s Greetings!

Dear Partners,

Merry Christmas from the Christ for India team and Titus Family! May the celebration of our risen Savior’s birth bring you joy today and in the New Year. We are humbled and grateful for your prayers and support. Thank you for being the hands and feet of Jesus this Christmas by giving to those in need.

God has moved mightily through Christ for India this year. He has provided for our needs in daily provisions of food, housing, protection and safety. Thank you for your prayers concerning our state as it is split into two states and all of the challenges that this will cause. Thank you also for your prayers during the recent cyclone for protection and for the current rebuilding process by all those affected.

CFI is growing and reaching more people in India. We are thankful for all our partners who are making it possible for us to reach more children, widows, orphans and to train more pastors and evangelists to reach the lost. During these challenging times, we are grateful for all the partners who continue to stand with us. Through your gifts, you are making an eternal investment for souls in India and laying up treasures in heaven!

Feel free to use this gift catalog throughout the year when you feel led to bless God’s work in India. Together we are making a difference. May your holiday season be filled with God’s love and blessings.

Jameson P. Titus

Build a Native Church

In India, your gift can help us build a simple, sturdy church building. This building can then be used for worship, discipleship, and spreading the Gospel of Jesus Christ. In addition, the building can also serve as a Christian school.
